### **Our Purpose (Vision):**

Is to:  
Work together today to achieve a healthy tomorrow for All

### **Our Mission Statement:**

To provide our patients with high quality, accessible care in a safe, responsive and courteous manner.

### **Our Aims and Objectives**

- To: provide a quality service:  
By working within the NHS to provide the highest possible quality of care that meets the identified needs of our patients.
- To: Respect our patients and staff:  
By treating our patients and staff with courtesy, dignity and respect at all times. We will treat all fairly and be especially supportive to the vulnerable. We expect respect in return.
- To: Involve our patient in decisions:  
By a whole team approach in supporting our patients to help them make decisions to improve and maintain their health.
- To: Promote best practice:  
By using specialist expertise within the practice team and externally. We encourage the continuous education and professional development of all members of the practice team. We will adapt to change, build on our achievements and develop our services.
- To: Be a caring practice:  
By conveying compassion in word and action whilst assessing and responding to needs.
- To: Work together as a team  
By working as one flexible unit that enhances our colleagues' ability to perform their roles.
- To: Work with integrity  
By speaking and acting truthfully and being accountable for our actions.
- To: Be a sustainable practice  
By operating on a financially sound basis. Having as low an environmental impact with as reduced waste as possible.

### **GP Training**

The practice is a training practice, we strongly believe in the future of General Practice and that it is in our hands to affect and build.

Our Intent is to:

- Promote an increase in recruitment of GPs within Primary Care
- Develop leadership skills
- Refine Clinical skills
- Improve research and development in primary care

We aim to achieve this through:

- Constant re-evaluation of the training delivered and its implementation
- An assumption of the dynamic character of the organisation, and a willingness to change continually - striving for a better way to accomplish tasks and goals.
